09a/2009

Dear Applicant,

The Queensland Police Service (QPS) comprises over 10,000 sworn police officers serving the community in all corners of Queensland. In order to maintain this number of officers, it is necessary to recruit and train large numbers of recruits each year. Recruits are trained at the Queensland Police Service Academy, Oxley in Brisbane and the North Queensland Police Service Academy, Townsville. Applicants from the northern areas of this State, who are selected as police recruits, may be given the opportunity to train at the North Queensland campus.

Prospective applicants who meet all the minimum selection criteria can submit completed applications anytime throughout the year. Please keep in mind that applicants compete under a merit based system of selection. As there are only a limited number of places offered for each intake and a large pool of applicants, it is in an applicants' best interest to complete all components of the application and selection process to the best of their ability.

The processing of applications can take anywhere from two to six months, depending on the applicants individual circumstances. The Application Case Management Unit of the Recruiting Section are available to inform applicants of their progress throughout the selection process.

**Applications must be sent to: QUEENSLAND POLICE RECRUITING
GPO Box 2946, BRISBANE QLD 4001.**

This application package contains the following documents:

- **PROVE** Application Checklist and Forms; and
- Pre Employment Medical Service (PEMS) provider directory.

Further, I consider it prudent that applicants read the information entitled 'Health Screening Procedures and Physical Skills and Education Program' which is contained in the Recruiting Section website. Applicants can contact the Recruiting Section for a hard copy brochure should they not have access to this information.

Please visit our website at www.policerecruit.com.au for detailed information relating to the application and selection process.

Thank you for your interest in a career with the Queensland Police Service.

**P R BARRETT
