

WEAPONS APPLICATIONS

*Save time, Apply online
Get help from a club or dealer,
Save even more time.*

Currently 30% of applications received at Weapons Licensing are incomplete. This requires follow up and monitoring of applications which impacts on processing times and turnaround times.

Applicants, you are strongly encouraged to contact your local club or dealer about assisting you to complete your licence application, and ensure the required documentation is submitted.

Before you attend your local club or dealer, please refer to the Weapons Licensing website and be aware of the required documentation for your genuine reason.

The club or dealer will;

- Ensure you have the required documentation; and
- Encourage you to and assist you to complete the Weapons Applications Online (WAO) application form

Effective Date: Monday 17 February 2014
