

# Take on the role of a trainee Queensland Police Scenes of Crime Officer (SOCO)

**OBJECTIVE:** You are a trainee Queensland Police Scenes of Crime Officer (SOCO). You have entered the scene of a murder and it is your job to use the tools at your disposal to gather evidence, compile a report, and discover who committed the crime. Take your time and read the USER GUIDE. Think carefully about the crime scene, the evidence presented and the ways in which you can collect it. Good photographs and careful thought about what you collect and how you have it analysed will earn you more points. The higher your score, the more likely you will pass the test and become a qualified SOCO.

## STEP 1

**Download the QPM Forensics AR app**

Apple Play Store

Google Play Store

## STEP 2

**OPEN THE APP and take the time to read the USER GUIDE**

These 8 tips will help you navigate the app successfully. Museum staff are on hand to give assistance if required.

## STEP 3

**Collect the evidence using the icons depicted**

**CAMERA** - to photograph each piece of evidence  
**DNA TEST KIT** - to take a DNA swab  
**FINGERPRINT** - to collect latent fingerprints  
**EVIDENCE BAG** - collect the evidence for later analysis

## STEP 4

**Touch View Evidence**

## STEP 5

**Test the evidence**

All the evidence you collected can be sent away for testing. Touch the microscope button for forensic testing. When the button changes to light blue touch it again to read the results.\*

\*You must review the testing results to be able to move on to Step 6.

Choose to **include** (Tick) or **ignore** (Down Arrow) evidence based on the testing results.

## STEP 6

**Touch View Facts**

This lists the Facts associated with the evidence you found. Select the facts you think will be important to highlight in the final report.

## STEP 7

**Touch Next**

Order the evidence neatly and methodically and submit your Final Report

**HINT:** Move the most important facts at the top of the list with the arrows, use the X to delete the facts that will not be useful to the case

## STEP 8

**Touch Submit Report**

The App will calculate your score from what facts were or were not included.

## YOUR FINAL SCORE

The higher your score, the more likely you will pass the test and become a qualified SOCO.

000-150	Pay more attention and try again
151-300	Good job, have another go
301-450	Great work, concentrate on the accuracy of your Final Report
450-600	Excellent, you will make a great SOCO

\* There are 400 bonus points on offer for an accurate report.

**How did you do? Would you make a good Scenes of Crime Officer?**
