

Tyre and wheel security

Safer Together

**Protect your business
by securing the tyres on
your vehicles and trailers.**

Tyre theft impacts Queensland business owners, particularly trailer and vehicle hire operators. These thefts are often linked to deliberate dangerous driving behaviours, putting the wider community at risk.

This checklist provides effective steps you can take to strengthen your security and reduce the risk of theft.

Secure smart:

Lock your wheels:

Use wheel clamps, boots or chock locks.

Chain it down:

Secure trailers to heavy immovable objects.

Cover with cameras:

Install CCTV on trailer and vehicle storage areas.

Make it visible:

Obvious security measures deter opportunistic thieves.

Security measures can make your business a harder target and significantly reduce the risk of trailer and wheel theft.
